To complete your registration, bring the completed form to the Parish Office - we want to meet you. Registration assists you in your stewardship accountability, and allows us to certify your contributions for tax purposes, as well as verify your affiliation with our parish. Verification is necessary if you are asked to be a Baptismal godparent or confirmation sponsor. If you do not use your envelopes or ParishPay we will be unable to verify that you are a contributing parish member. The amount does not matter, but creating a culture of stewardship is important for your family and your parish family.
