\*Parish ministries are listed on the back. Please check off ministries you are interested in learning more about.

Please mail or drop your completed registration form off at the office.

Use of church envelopes or online giving serve three purposes. One is to verify your active status as a parishioner, should you need a Certificate of Eligibility to be a godparent for Baptism or a sponsor for Confirmation. Secondly, a record of your yearly contributions will be sent to you for your tax deductions. More importantly, creating a culture of stewardship is a blessing for your family and your parish family.
